Simpson Travel Introduces New Private Nanny Service in Corfu

‘Tots to Teens’ childcare ensures a relaxing holiday for all the family

For 2019, leading villa and boutique operator **Simpson Travel (0208 003 6557, www.simpsontravel.com)** has introduced a brand new ‘Simpson Nanny’ service for guests staying at its properties in Corfu.

Offering the ideal solution for busy parents who are craving some ‘me-time’ on holiday as well as spending time together as a family, the service starts on 2nd June 2019. Nannies can be booked for six days, either as six full days or as six half-day options (providing childcare for three mornings and three afternoon sessions) and are Cache L3 qualified (or equivalent). The new initiative forms part of Simpson’s wider ‘Tots to Teens’ childcare options on offer at its properties in Greece.

Occasionally referred to as ‘Kensington on Sea’ by families who return year after year, the sought after destination of North East Corfu is renowned for its beautiful coves and pretty coastline. Simpson has a superb range of villas to choose from in the region as well as Bella Mare Hotel - a stylish boutique property which is exclusive to Simpson, set on the gently shelving Avlaki Bay – a prime spot in this much-loved corner of the island.

[Villa Georgia](#) is one of the villas at which the Nanny Service is available. Nestled on a small headland up above Avlaki Bay, this elegant three bedroom property is perfect for families looking for a villa retreat where they can completely switch off and relax. With a private infinity pool, fabulous views over the coastline, this light, spacious villa is ideally situated to make the most of the coastline with Simpson Watersports on the beach below, as well as the chance to hire a boat and explore the local bays and fishing villages of Agios Stephanos, Kalami and Agni.

A week at Villa Georgia which has starts at £873pp based on 2 adults and 2 children sharing, including flights, car hire and seven nights accommodation.

Full six days Simpson Nanny service @ 8 hours per day costs £600. (8 hours taken in 1 block between 8am to 8pm). Half day option for six days costs £375 (3 x AM sessions in a row followed by 3 x PM sessions). T&C apply.

Also new for 2019 as part of Simpson’s ‘Tots to Teens’ childcare offering, is Dolphins and Tribe. Catering for children aged from seven to 16 years the new ‘[Dolphins](#)’ (7-10 year olds) and ‘[Tribe](#)’ (11-16 years) activity clubs will be available from 14th July – 31 August 2019 with programmes created to

ensure they appeal to the respective age groups. Sessions are held at different times on different days to give everyone a welcome break from the rigid timetabling of school, and are run by experienced, handpicked team leaders. *Tribe* offers activities ranging from sailing adventures, dinghy lessons, a trip to the local Waterpark to horse-riding and mocktail making, whilst *Dolphins* is a captivating and imaginative programme combining scavenger hunts and movie making with the best of seaside fun and grander adventures out on the water in partnership with the Corfu Sailing Centre. **A week at [Bella Mare Hotel](#) in Corfu costs from £1,189 pp travelling 28 July including BA flights from Heathrow, accommodation on a BB basis and return transfers. Price is based on a family of four sharing a Family Suite. Places for the Clubs should be booked in advance and start at £230 per Dolphin participant and £330 per Tribe participant to cover all activities.**

The clubs are being introduced as an extension of the 'Simpson Creche' childcare concept that already exists at Simpson's two popular villa collections at Periyali (Zakynthos) and Mousses (Lefkada). Here, families staying in one of the villas - which lie within shared grounds but have their own individual facilities - are able to choose from either the Hatchlings Creche (6 months – 3 years) or Turtles Club (4-10 years), where flexible childcare provision is available with British-trained nannies.
