NEW FOR 2019

TOTS TO TEENS

Based on family-friendly Lefkada, Zakynthos and Corfu, our crèches and holiday clubs are run by qualified British NNEB-qualified nannies and experienced leaders. The groups are small, and the sessions are flexible to fit around you and your children, all conveniently located at our own bespoke centres and clubhouses.

SIMPSON WANDERING

Our Wandering programmes are perfect for those who are tempted by the variety of a touring itinerary, but don't want anything too rigid. During your tailor-made trip, you can stay at two or three hotels, with a minimum of three nights at each property. An immersive experience is also included in each location.

After the success of our previous programme in Tuscany, we have continued to expand our Wandering itineraries for 2019. The latest addition is Puglian Wandering, which features three location options across this charming region.

AQUITAINE COAST

You've probably visited France, but how well do you know Aquitaine? Come with us and explore pristine golden beaches, surf-centric Hossegor, Belle Époque Biarritz, gentle cycle trails, world class golf and spa facilities plus an unrivalled choice of stylish villas for families and groups.

SIMPSON WATERSPORTS

From sailing and windsurfing to paddle boarding and kayaking, polish your skills or learn some new ones with our new Simpson Watersports on Avalaki beach in Corfu, next to the beautiful Bella Mare Hotel.

Book with confidence: As ABTA members with ATOL bonding, your holiday is safe with us, whatever 2019 may bring.
